

Rudgwick Primary School

Health and Safety Policy

Inspire - Believe - Achieve

Our Mission:

At Rudgwick Primary School, our mission is to provide a happy, fun, safe place, where kindness shines through and where:

- Excellent teaching and a wide range of experiences **inspires** a love for learning and a curious mind;
- Everyone is valued and respected and feel that they belong;
- Individual strengths and talents are nurtured and celebrated and children **believe** in themselves and, through strong friendships, each other;
- A growth mind set is encouraged, mistakes are seen as learning opportunities and confident, resilient learners grow;
- Children are successful learners who, through both independence and collaboration, can make progress and **achieve** to their full potential.

**Health and Safety Policy issued by the governors of
Rudgwick Primary School**

Effective from: March 2023

Signed by: David Buckley, Chair of Governors

Reviewed by: Staff, Finance and Health and Safety Committee

Approve by: Full Governing Body

Review Frequency: 1 Year

Next review date: March 2024

Statement of Intent

The governing body acknowledges West Sussex County Council's (WSCC) Corporate Health and Safety Policy, acting as Local Education Authority and employer, and provides the following additional statement of intent to cover all school buildings, activities and undertakings for which it is responsible.

Under the Health and Safety at Work Act 1974, the governing body accepts that it has the responsibility to take all reasonably practicable steps to secure the health and safety of staff, pupils and others visiting and using the school premises.

The governing body believes that the prevention of accidents, injury or loss is essential to the efficient operation of the school and is part of the good education of its pupils. It will be the governors' policy to encourage, where practicable, the co-operation of all users of the establishment by monitoring, review, discussion and consultation to promote and develop measures which ensure health and safety at work.

.....

Approved by David Buckley, Chair of Governors

Health and safety responsibilities

The Governing Body has strategic responsibility for health and safety within all areas of the schools undertakings and is answerable to the LEA for its actions, on behalf of whom it makes decisions. The governing body is responsible for ensuring that advice from competent health and safety advisers is available on health and safety matters in order to comply with regulatory controls.

The Head Teacher has responsibility for the day-to-day operation of health and safety and welfare policies and practices, as delegated by the governing body, within all areas of the school's undertakings. The Head Teacher is responsible for ensuring that advice from competent health and safety advisers is sought on health and safety matters in order to comply with regulatory controls.

Relevant staff are responsible for ensuring that safe working conditions are maintained for all pupils, employees, visitors, members of the public and, where applicable, contractors throughout their individual work areas, as delegated by the Head Teacher or governing body and detailed in the organisation section of the policy. Department heads are responsible for ensuring that advice from competent curriculum and health & safety advisers is sought on health and safety matters in order to comply with regulatory controls.

Employees are responsible for their own health and safety, that of their colleagues and members of the public who may be affected by their work activities.

See Appendix A – School Responsibilities.

ARRANGEMENTS FOR HEALTH AND SAFETY

Accident and Incident Reporting

All accidents and incidents, to staff, visitors and contractors are reported to WSCC using the online accident reporting system. Minor incidents to pupils are recorded locally. Major injuries and direct visits to hospital are also reported to WSCC using the online system.

The Business Manager is responsible for reporting accidents.

The Head Teacher will monitor accidents and incidents in order to identify trends and report to the governing body.

Administering medicines

The school's Managing Medicines Policy details the procedures followed by the school and is based on WSCC policy and procedures. The lead for the administration of medicines is *Jayne Rose*. A copy of the policy is available from the school office.

Asbestos

The school holds an asbestos register and follows the WSCC Code of Practice regarding monitoring and record keeping. All contractors working on the building are made aware of the location of asbestos and sign the register. Staff are made aware of the location of asbestos and the procedures to follow if discovering disturbed asbestos. The Premises Officer is responsible for asbestos management.

The Premises Officer is required to monitor the Asbestos Register annually, and record this monitoring within the register. The Premises Officer is required to refresh Asbestos Awareness and Asbestos Management training annually, interwoven with classroom based training every three years.

Control of Substances Hazardous to Health (COSHH)

All hazardous substances stored and used within the school are to be risk assessed and the precautions identified by the risk assessment shall be communicated to staff and implemented. These assessments will be held in the school's COSHH risk assessment file, along with the relevant data sheets and made available to all employees who are required to use these substances in their work.

The Premises Officer is designated for ensuring that the COSHH risk assessment file is kept up to date and communicated to relevant staff.

Contractors

Maintenance and servicing contractors receive an induction to the school site (including asbestos), its facilities and emergency arrangements. Contractors undertaking large scale building work receive all of above and an induction pack which includes relevant school policies, procedures and risk assessments. The school adheres to WSCC self-managed process. Contractors are continuously monitored whilst on site.

The Premises Officer is responsible for the management of contractors

Display Screen Equipment (DSE)

Every DSE user will have a risk assessment completed to make sure they know how to adjust and set up the workstation correctly. It is the responsibility of the Business Manager to ensure assessments are completed by relevant staff. The risk assessment can be carried out by the workstation user through the e-Learning programme and assessment checklist. This is available on Health and Safety A-Z pages of the WSSfS.

DSE user risk assessments will be reviewed periodically by the Business Manager, at least annually, or if there have been any significant changes to the workstation. A review of the original assessment must be undertaken as soon as practicable by the line manager when an employee complains of musculoskeletal or other health issues that could be attributed to, or aggravated by, working with DSE

Electricity

All portable electrical equipment within the school is to be tested annually and records of these tests will be held at the school.

Private portable electrical equipment must not be brought into the establishment and used without the appropriate checks.

A 5 yearly check of the fixed electrical installation is completed and records kept. Electrical safety is managed by the Premises Officer.

Emergency Provision/Business Continuity

The Emergency Plan details procedures and arrangements to be used in the event of an emergency. This includes liaison with WSCC and the emergency services, provision for the continuation of school business and arrangements to contact interested parties i.e. parents and the press. All staff are trained in the procedures contained within the emergency plan and are able to take the appropriate action if required. The emergency plan is regularly monitored and reviewed by the Head Teacher.

Fire Safety

The Head Teacher is the designated person for fire safety within the establishment. SBM and the Headteacher are the Fire Marshalls.

The designated person will ensure that:

- The school's fire risk assessment is kept up-to-date by annual review or in response to significant changes to premises or work arrangements.

- There is reasonable fire-fighting equipment in the school, it is maintained and maintenance records are kept.
- The fire safety equipment, e.g. fire alarm, emergency lighting, etc. is regularly checked, maintained and records are kept.
- There are no general fire hazards around the building, particularly near escape routes, escape routes are unobstructed and that there is access for fire fighters.
- Staff and pupils are practised in evacuating the premises by performing termly drills, monitoring their effectiveness and keeping records.
- Develop personal emergency evacuation plans (PEEP) for those staff and/or pupils who require additional assistance to evacuate the premises.

They will also ensure that the establishment has in place an up to date **Emergency Fire Plan**, which details the procedures to be followed in the event of a fire. The plan must be prepared to ensure that people within the establishment know the action to take if there is a fire, and to ensure the establishment can be safely evacuated.

Where necessary, the Emergency Fire Plan will include the following features:

- Action on discovering a fire and calling the fire service (these notices will also be displayed throughout the establishment)
- The location of the assembly point for roll call
- Liaison with emergency services
- Identification of key escape routes
- The type and location of fire-fighting equipment provided
- Specific responsibilities in the event of fire (adequate number of fire wardens to assist with the evacuation)
- Training (fire safety awareness training is carried out annually for all staff through Educare).
- Any need to co-operate or co-ordinate with other responsible persons that will be operating within the premises.

First Aid

The lead First Aider is *Jayne Rose*, the following staff are trained Paediatric First Aiders: *Anna Squibb* and the person qualified in First Aid at Work is *Grace Gaynor*. Details of the school's first aid trained staff is displayed in the first aid room/area. The Business Manager monitors first aid training to ensure certification remains in date.

A first aid risk assessment has been completed and provision is in place, following the findings of the risk assessment. Suitable and appropriate first aid cover is provided at all times during the working day and after hours to cover breakfast and after school clubs and all staff members are aware of the arrangements in place.

Jayne Rose is the designated person for ensuring the first aid kits are kept fully stocked and items are within date, checks of first aid kits are recorded as completed.

Food Safety

The lead for Food Safety is *Sarah Barker*. The Food Safety lead will ensure that there are arrangements for safely and hygienically receiving food from suppliers and preparing it for serving to pupils. The kitchen, servery and dining area are to be cleaned daily and after each use.

A risk assessment is in place for lunchtime meals (hot and cold). Midday Meals Supervisors must cordoned off a spillage, cleared up immediately and the floor surface left clean and dry before being opened up to pupils again.

All incidents are to be reported to the Food Safety Lead.

Glazing

The school holds an up to date Glazing Survey and regularly monitors glazing as part of the premises inspection. The Premises Officer is responsible for glazing management.

Gas Safety

The school ensures that the gas boilers and other gas appliances are serviced and maintained regularly. The Premises Officer is responsible for gas safety.

Induction

All new employees are informed of the school's health and safety arrangements and procedures using the induction checklist available within the Health and Safety A-Z on the WSSfS. Staff will also complete the eLearning 'Your Own and Others' and records will be kept. The Head Teacher is responsible for the induction of staff.

Infection Control

The school seeks to manage the spread of infection to prevent ill health from disease i.e. coronavirus, norovirus, hepatitis etc. The school follows the exclusion periods for all infectious diseases set by Public Health England and these are communicated to parents. Risk assessments are completed for infection control and specific diseases and communicated to staff. These risk assessments are supported by infection control procedures i.e. hand washing, increased hygiene and cleaning protocols and where identified by risk assessment personal protective equipment (PPE) is worn by staff. Where the

school is aware of a risk of transmission of an infectious disease specific arrangements are in place for the administration of first aid to a potentially infectious pupil, visitor or member of staff. As required under the Reporting of Incidences Diseases Dangerous Occurrences Regulations (RIDDOR) infectious diseases that meet the RIDDOR criteria are reported via the online accident reporting system and onto the Health and Safety Executive (HSE) by the WSCC.

Lone Working

Lone working is discouraged, however where employees are required to work alone, the risks should be assessed and adequate controls put in place. The Head Teacher is responsible for risk assessing and producing lone working procedures.

Play equipment

External and internal play and physical education (P.E.) equipment is serviced by West Sussex County Council & Universal Services. P.E. equipment is checked prior to every use by the teaching staff any defects are reported immediately to the Head teacher. The Premises Officer regularly monitors external play equipment and defects are reported immediately to the Head Teacher. Faulty equipment is immediately decommissioned by the Premises Officer.

Premises Maintenance

The school is to be kept clean, tidy and free from hazardous obstacles. Staff must report any defective equipment, furniture or premises issues to the Business Manager using the defects log. The Premises Officer is responsible for correcting any such issues, will sign and date completed actions in the log.

Monitoring, audit and review

The Governing Body (including the Staff & Finance & Health & Safety committee) shall receive termly reports on Health and Safety from the Head Teacher, and will monitor the premises, and compliance with this policy, at least twice a year. One Governor Visit should immediately follow the receipt of the annual WSCC Health and Safety Audit Report.

Regular review of procedure shall be undertaken in the light of operational practice, new laws and new policy/directives of the Local Authority. The operational practice and procedure shall be constantly monitored by the Head Teacher/local safety officer. The Head Teacher will report any H&S issues arising at each S+F+H&S committee meeting.

Moving and Handling of Customers and the Manual Handling of Inanimate Loads

Manual handling is defined as the transporting or supporting of a load (including the lifting, putting down, pushing, pulling, carrying or moving thereof) by hand or bodily force. Consequently, the Manual Handling Operations Regulations apply to a wide range of operations; in this context it applies to both the moving of inanimate loads (manual handling) and the moving and handling of children where they are unable to do this unaided (moving and handling).

Where manual handling or moving and handling tasks are undertaken, The Governing body will designate suitably competent staff to undertake risk assessments of the activities, and ensure staff working in these areas receive the necessary training and instruction.

The Premises Officer is responsible for developing and reviewing moving and manual handling risk assessment.

New and Expectant Mothers

Any staff member who becomes pregnant is to inform the Head Teacher of this and an appropriate risk assessment is to be undertaken following the guidance contained within the Health and Safety A-Z on the WSSfS. The school recognises the changing nature of pregnancy and will regularly review risk assessments to ensure that working at the school will not pose any risk to their health and safety and that of their unborn child.

Off site activities

All off site activities are risk assessed using the WSCC system. The schools systems are audited by WSCC Outdoor Education Advisor. *The Deputy Headteacher* is the schools Educational Visit Co-ordinator (EVC).

Risk Assessments

Risk assessments are a legal requirement under health and safety law and the Head Teacher will assess all risks arising out of the curriculum and associated work which the school undertakes. The Science, Technology, PE and Woodland Learning Leaders will carry out the assessments for their associated curriculum areas and provide these to the Head Teacher. In accordance with corporate

guidance risk assessments will be recorded in writing and reviewed annually or following a significant accident and or incident.

Staff Welfare/Stress

The governing body considers staff welfare of paramount importance, and seeks to promote a work/life balance amongst their staff. The Head teacher is constantly monitoring staff workload and every effort is made to make effective changes if staff are experiencing stress either at home or work. The school also utilizes the services of Health Partners for occupational health.

Training

The school ensures that all staff are provided with adequate information, instruction and training to perform their roles. Training requirements are discussed during induction, professional development reviews and one to one supervision. Training records are kept and reviewed by the Head Teacher.

Water quality

The Premises Officer is responsible for monitoring and recording water temperatures at the school to ensure water quality is maintained. An annual water quality risk assessment is produced and reviewed by Muskateer.

Working at height

Teaching staff are not permitted to work at height to put up displays. The Premises Officer should be ladder trained and will erect displays on behalf of teaching staff where ladders are required. Ladders, step stools and other access equipment are kept on a ladder register and regularly inspected and maintained by the Premises Officer.

Appendix A – Organisation of the Health and Safety System in

RUDGWICK PRIMARY SCHOOL

This appendix is correct at the time of approval of the policy and will be updated annually

- *The Chair of Governors is David Buckley*
- *The Governor with nominated responsibilities for Health & Safety is Mike Flower*
- *The responsibility for day to day oversight of the governors' responsibility is vested in Terry Ryan (Headteacher)*
- *The Headteacher will be assisted by the Business Manager, Claire Dunsby*
- *Staff interests are represented by Jayne Rose (Safety Representative/Staff appointee).*

Particular responsibilities for the management of safety/welfare matters are listed in the text and summarised below:

Asbestos Management	Premises Officer
Cleaning/Caretaking duties	Premises Officer
Contractors on site	Premises Officer
Control of Substances Hazardous to Health	Premises Officer
Display Screen Equipment	Claire Dunsby
Electricity at Work Regulations	Claire Dunsby
Fire Safety	Terry Ryan
First Aid	Jayne Rose
Health & Safety in the School Development Plan	Terry Ryan
Induction of Staff	Terry Ryan
Manual Handling	Claire Dunsby
Off-site Activities	Terry Ryan
Physical Education	Terry Ryan
Premises Maintenance	Claire Dunsby
Reporting/Recording Incidents	Claire Dunsby
Risk in the Curriculum	Terry Ryan
Science Curriculum	Kat Hutchings
Security	Terry Ryan / Claire Dunsby
Staff Welfare	Head Teacher / DHT
Training/INSET	Terry Ryan / relevant coordinators
